and NSD File No. L-00-72.

Dear FCC:

To whom it may concern,

The raise that you will implement is too much for us as prepaid customers. I decided to get this prepaid coz I know this will with lessen wireless fone expenses. I can just afford as much as \$10 for the activation of my airtime fees and get connected to love ones somehow. Hope this matter be considered. Thank you so much!

Tracfone prepaid subscriber Email mavecz@yahoo.com

Thank you for your prompt attention to this matter. Please provide a written response indicating the status/resolution of this matter.

Very truly yours,

Rebecca t. Zagala
